UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA—WESTERN DIVISION

OMAR VARGAS, ROBERT
BERTONE, MICHELLE HARRIS,
and SHARON HEBERLING
individually, and on behalf of a class
of similarly situated individuals,

Plaintiffs,

v.

FORD MOTOR COMPANY,
Defendant.

Case No.: CV12-08388 AB (FFMx)

CLASS ACTION

Hon. André Birotte Jr.

**[PROPOSED] FINAL APPROVAL
ORDER AND ORDER TO ENTER
JUDGMENT**

Date: February 28, 2020
Time: 10:00 am
Place: Courtroom 7B

1 On April 25, 2017, the Court entered a Preliminary Approval Order that
2 preliminarily approved the proposed Settlement Agreement in this Litigation and
3 specified the manner in which Ford Motor Company (“Ford”) was to provide
4 Class Notice to the Class. (ECF No. 133.) All capitalized terms used herein shall
5 have the same meaning as defined in the Settlement Agreement, which was filed
6 with the Court on March 24, 2017 (Dkt. 121-1), and modified by the Amendment,
7 which was filed with the Court on January 24, 2020 (Dkt. No. 279-1; fully
8 executed at 281), and is incorporated by reference. The Settlement Agreement and
9 Amendment together shall be referred to as the “Amended Settlement” or
10 “Amended Settlement Agreement.”

11 Following the dissemination of the Class Notice, all Class Members were
12 given an opportunity to request exclusion from the Class or object to the
13 Settlement Agreement (including Class Counsel’s request for attorneys’ fees and
14 expenses and the Class Representatives’ collective application for a Service
15 Award). Prospective Class Members who had a pending suit against Ford as of
16 the Notice Date were given an opportunity to opt-in.

17 An initial Fairness Hearing was held on October 2, 2017, at which time all
18 interested persons were given a full opportunity to state any objections to the
19 Settlement Agreement or to Class Counsel’s request for attorneys’ fees and
20 expenses and the Class Representatives’ collective application for Service
21 Awards. Class Members Brenda Lott, Suzanne Lutz, Carlie Olivant, Gail Slomine,
22 and Philip Woloszyn (the “Lott Group”) and James “Jason” DeBolt (collectively
23 with the Lott Group, “Assisting Class Members”) objected. The Fairness Hearing
24 was held more than 90 days after Ford provided notice of the proposed Settlement
25 to federal and state-level attorneys general as required by 28 U.S.C. § 1715(b),
26 thus complying with 28 U.S.C. § 1715(d).

27 Following an appeal by the Lott Group and DeBolt, the Ninth Circuit Court
28

1 of Appeal issued a memorandum opinion vacating the initial Final Order and
2 Judgment and instructed this Court to engage in “a more searching inquiry” into
3 the fairness of the Settlement terms. On January 24, 2020, Plaintiffs filed a
4 renewed motion for final approval of an Amended Settlement with additional
5 benefits for the Class, along with a renewed motion for attorneys’ fees, costs, and
6 service awards. Before the Fairness Hearing, the Lott Group and DeBolt each filed
7 a motion seeking approval of payments and attorneys’ fees.

8 A Fairness Hearing regarding the Amended Settlement was held on
9 February 28, 2020, at which time the Court considered whether the proposed
10 Amended Settlement Agreement is fair, reasonable and adequate, whether the
11 Amended Settlement was the product of collusion, whether Class Counsel’s
12 requested attorneys’ fees and expenses were reasonable, whether Class
13 Representatives’ service awards were reasonable, and whether Assisting Class
14 Members’ respective requested payments and attorneys’ fees were reasonable.

15 Having read and fully considered the Settlement Agreement and all
16 submissions made in connection with it, the Court finds that the Amended
17 Settlement Agreement is fair, reasonable and adequate and should be finally
18 approved and the Litigation dismissed with prejudice as to all Class Members who
19 have not excluded themselves from the Class, and without prejudice as to all
20 persons who timely and validly excluded themselves from the Class.

21 Accordingly, **IT IS HEREBY ORDERED** that:

22 1. This Court has both subject matter jurisdiction and personal
23 jurisdiction as to this action and all Parties before it, including all Class Members.
24 The Court certifies the following Class for purposes of settlement only:

25 All current residents of the United States (including
26 territories of the United States) who, prior to the
27 Preliminary Approval Order, purchased or leased new or
28 used Class Vehicles that (1) were originally sold in the
United States (including territories of the United States)

1 and (2) were equipped with the PowerShift
2 Transmission.

3 Excluded from the Class are:

4 (1) except as to the Named Plaintiffs in this Litigation
5 and the *Anderson* plaintiffs, all owners or lessees of
6 Class Vehicles who have filed and served litigation
7 against Ford alleging problems with the PowerShift
8 Transmission in Class Vehicles that was pending as of
9 July 14, 2017 and who do not dismiss their actions before
10 final judgment and affirmatively elect to opt-in to the
11 Settlement (Owners or lessees of Class Vehicles who
12 dismiss such litigation and affirmatively opt-in to the
13 Settlement shall be members of the Class for all
14 purposes); (2) Ford's officers, directors, employees,
15 affiliates and affiliates' officers, directors and
16 employees; their distributors and distributors' officers,
17 directors, and employees; and Ford Dealers and Ford
18 Dealers' officers and directors; (3) judicial officers
19 assigned to the Actions and their immediate family
20 members, and any judicial officers who may hear an
21 appeal on this matter; (4) all entities and natural persons
22 who have previously executed and delivered to Ford
23 releases of their claims based on the PowerShift
24 Transmission; (5) all parties to litigation against Ford
25 alleging problems with the PowerShift Transmission in
26 Class Vehicles in which final judgment has been entered,
27 and (6) all those otherwise in the Class who timely and
28 properly exclude themselves from the Class as provided
in this Settlement.

22 2. The Class certified for the purposes of settlement satisfies all of the
23 requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(3).

24 a. The Court finds that: (i) the Class of over one million Class
25 Members is sufficiently numerous so that joinder would be
26 impracticable; (ii) that primary issues in this litigation,
27 whether the Transmission has a design defect, whether Ford

had pre-sale knowledge of the alleged defect, and whether Ford had the legal obligation to repair the Transmission, are common to the Class; (iii) Plaintiffs' claims are co-extensive with that of Class Members and are thus typical; (iv) Plaintiffs and Class Counsel have adequately represented the Class, as that there is no conflict between Plaintiffs and Class Counsel and other Class Members;

b. The Court also finds a common nucleus of facts regarding the alleged omissions and warranty claims predominate over individual issues, and that a class action is superior because the Settlement obviates the need for further litigation or trial.

3. The Court appoints and finally approves Plaintiffs Omar Vargas, Michelle Harris, Sharon Heberling, Robert Bertone, Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric Dufour, Abigail Fisher, Christie Groshong, Virginia Otte, Tonya Patze, Lindsay Schmidt, Patricia Schwennker, Patricia Soltesiz, Joshua Bruno, Jason Porterfield, and Jamie Porterfield as representatives of the above-described Class. The Court finds that none of the Class Representatives have an actual conflict with the Class Members and have diligently represented the Class's interests throughout the litigation.

4. The Court finds that Capstone Law APC, Berger & Montague, P.C. and Zimmerman Law Group have demonstrable experience litigating consumer and other class actions. The Court hereby appoints and finally approves said law firms as Class Counsel and designates Capstone Law APC as Lead Class Counsel. The Court finds that Class Counsel does not have an actual conflict with the Class Members and have diligently represented the Class's interests throughout the litigation.

5. The Court finds that the mailing of the Short Form Class Notice to

1 the Class, publication of the Publication Notice, and posting of the Long Form
2 Class Notice to the Settlement Website has been completed on July 14, 2017 in
3 conformity with the Settlement Agreement and the Preliminary Approval Order.

- 4 a. These forms of notice, taken together, provided adequate
5 notice of the proceedings, including the proposed settlement
6 terms as set forth in the Settlement Agreement. The Class
7 Notice has fully satisfied due process requirements and the
8 requirements of Rule 23 of the Federal Rules of Civil
9 Procedure. As executed the Class Notice was the best notice
10 practicable under the circumstances.
- 11 b. Because the amendments to the Settlement Agreement only
12 increase the benefits available to the class, with no reduction in
13 benefits, no new notice to the Class is required. *In re Toyota*
14 *Motor Corp. Unintended Acceleration Mktg., Sales Practices,*
15 *& Prods. Liab. Litig.*, No. 8:10ML-02151-JVS (FMOx), 2013
16 U.S. Dist. LEXIS 123298, at *244 n.15 (C.D. Cal. July 24,
17 2013) (“Where the benefit to the class is increased by changes
18 to proposed class action settlements, courts have held that
19 supplemental direct notice to the class is not required. ... This
20 is so because an increase to a class member's recovery is not
21 the type of change that would cause a class member to request
22 exclusion from the class settlement.”); *see also*, e.g., *Molina v.*
23 *Pacer Cartage, Inc.*, No. 13-cv-2344-LAB (JMA), 2016 U.S.
24 Dist. LEXIS 142142, at *2 (S.D. Cal. Oct. 12, 2016) (“Because
25 the modification did not alter the amount each class member
26 would receive, the Court concluded that a second notice to
27 class members was not needed.”).

- c. However, pursuant to the Amended Settlement, and for informational purposes only, Ford and Plaintiffs are hereby ordered to jointly prepare an informational, single-page postcard advising class members that improvements have been made to the settlement and referring them to the settlement website for details. Within 14 days of the Effective Date, the Settlement Administrator shall mail the postcard, at Ford's expense, using the same mailing list used for the original class notice (except to the extent that the original mailing list included owners of vehicles not equipped with DPS6 transmissions). Within 14 days of the Effective Date, Ford and Plaintiffs shall jointly develop a summary of the settlement, including the new provisions, for inclusion on the settlement website.

15 6. The Court finds that appropriate notice was given by Defendant to all
16 “appropriate State and Federal Officials” pursuant to 28 U.S.C. §1715(a), and that
17 no objections were filed.

18 7. The Court hereby finally approves the terms set forth in the
19 Amended Settlement Agreement and finds that the Amended Settlement is, in all
20 respects, fair, reasonable and adequate, and directs the Parties to effectuate all
21 remaining provisions of the Amended Settlement Agreement according to its
22 terms.

23 a. Consistent with Rule 23(e)(2)(A)&(B), the Court finds that
24 the Amended Settlement Agreement has been reached as a result of informed and
25 non-collusive, arm's-length negotiations conducted by a respected mediator. The
26 Court further finds that Plaintiffs and Defendant have conducted extensive
27 investigation and research into the factual and legal aspects of Plaintiffs' claims,

1 and their attorneys were able to reasonably evaluate their respective positions.
2 The Court further finds that Assisting Class Members, who objected to certain
3 terms of the original Settlement, participated in further non-collusive, arm's-
4 length negotiations with Plaintiffs and Ford and contributed to the additional
5 benefits offered by the Amended Settlement.

6 b. The Court finds that the Amended Settlement Agreement is
7 fair, reasonable, and adequate. The Court finds that Plaintiffs and Ford have
8 provided ample information confirming that Class Members have already
9 received \$47.4 million in gross cash payment from claims for Repurchase. It is
10 reasonable to expect that many additional Class Members will receive cash
11 payments from claims for Repurchase after final approval of the Amended
12 Settlement. The Court further finds the Amended Settlement can be valued by
13 Ford's guarantee of a \$30 million minimum payment for the cash payment (for
14 Service Visits for Transmission Hardware Replacements, Software Flashes, and
15 the \$20 payment by sworn declaration) provided by the Amended Settlement.
16 The Court finds that, under the terms of the Settlement, Ford has already paid, or
17 is committed to pay, at least \$77.4 million.

18 The Court finds that the Repurchase benefit provides strong relief to the
19 Class by modifying lemon laws to favor Class Members. This includes an
20 extension of the statute of limitations for Claimants and a Settlement-created
21 fallback standard authorizing a Repurchase if the Claimant had had four
22 transmission hardware repairs within 5 years/60,000 miles of delivery to the first
23 retail customer, and the vehicle continues to malfunction. The Amended
24 Settlement provides additional valuable Class relief by extending the statute of
25 limitations to seek Repurchase to former owners/lessees and by allowing former
26 owners/lessees to seek Repurchase under the Settlement-created fallback
27 standard. The Amended Settlement's modifications to the Arbitration Program,
28

1 including eliminating the “final repair” option for Ford before Class Members
2 with fewer than four Transmission repairs can proceed to arbitration and
3 permitting an award of civil penalties, under limited circumstances, to Class
4 Members residing in states that have laws authorizing civil penalties for lemon
5 law claims, is also valuable. It is also reasonable to expect that, as a result of the
6 additional benefit of a one-time \$20 payment to Class Members who submit a
7 sworn declaration attesting to having a repair denied, the Amended Settlement
8 will benefit more Class Members than would the original Settlement.

9 The Court finds that the Amended Settlement is fair, reasonable and
10 adequate when weighted against the risks of further litigation, including the risks
11 of losing on the merits of Plaintiffs’ consumer fraud and warranty claims, and
12 the risks of maintaining class status through trial, given the complexity of the
13 alleged Transmission defect. The Court also finds that counsel had sufficient
14 discovery to reach an informed view regarding the risks and rewards of further
15 litigation and settlement.

16 The Court is not persuaded by the statements submitted to the Court by
17 Class Member Ayanna Maharry (ECF No. 277) and non-Class Member Robert
18 Earl Case, Jr. (ECF No. 296) challenging the fairness of the proposed Amended
19 Settlement. Neither can be construed as an objection because each was filed
20 more than two years after the objection deadline, which was never vacated.
21 Furthermore, Mr. Case is not a Class Member and therefore has no standing to
22 object. And under paragraph 20 of the Order Granting Preliminary Approval,
23 anyone who files an untimely objection “shall be foreclosed from seeking any
24 adjudication or review of the Settlement by appeal, collateral attack, or
25 otherwise.” (ECF No. 133.) These objections are therefore stricken.

26 c. The Court finds that the Amended Settlement does not bear
27 “subtle signs” of collusiveness under *In re Bluetooth Headset Prods. Liab. Litig.*,
28

1 654 F.3d 935, 938 (9th Cir. 2011). The Court finds that the relief is not
2 disproportionate to the attorneys' fees, since Settlement delivers \$77.4 million in
3 already-obligated payments to the Class while Class Counsel seeks \$8.85 million
4 in fees and costs, which is 11.4% of those cash benefits, and 10.2% of the
5 ascertainable minimum (already-obliged payments + fees and costs) of \$86.25
6 million. The Court further finds that the "clear-sailing clause," as provided here,
7 does not evince collusiveness because the agreed-upon fees are reasonable and
8 was separately negotiated after the class relief was finalized. The Court also
9 finds that the Settlement does not have a reverter. The Court is satisfied, after
10 engaging in a searching inquiry, that the Amended Settlement is not the product
11 of collusion and is fair and reasonable.

12 8. The Court also finds that the Parties, by settling now, will avoid
13 additional and potentially substantial litigation costs, as well as delay and risks if
14 the Parties were to continue to litigate the case. Additionally, after considering
15 the prospective and monetary relief provided as part of the Amended Settlement
16 in light of the challenges posed by continued litigation, the Court concludes that
17 Class Counsel secured fair, reasonable and adequate relief for Class Members.

18 9. The Amended Settlement Agreement is not an admission of fault by
19 Defendant or by any other Released Party, nor is the Final Approval Order and
20 Final Judgment a finding on the validity of any allegations or of any wrongdoing
21 by Defendant or any other Released Party. Neither the Final Approval Order, the
22 Final Judgment, the Amended Settlement Agreement, nor any document referred
23 to herein, nor any action taken to carry out the Amended Settlement Agreement,
24 may be construed as, or may be used as, an admission of any fault, wrongdoing,
25 omission, concession, or liability whatsoever by or against Defendant or any of the
26 other Released Parties.

27 10. The Amended Settlement Agreement shall be fully, finally, and
28

1 forever binding on Ford and all Plaintiffs, including all members of the Class
2 who did not opt out of this Settlement and have not been otherwise excluded
3 pursuant to the Settlement Agreement.

4 11. Having granted final approval to this Amended Settlement, the
5 Court dismisses on the merits and with prejudice *Vargas v. Ford Motor Co., No.*
6 2:12-cv-08388-AB (C.D. Cal.) and each and every action transferred and
7 consolidated with it, including *Klipfel v. Ford Motor Co.*, No. 2:15-cv-02140-AB
8 (C.D. Cal.), and *Cusick v. Ford Motor Company*, Case No. 2:15-cv-08831-AB
9 (C.D. Cal.). In accordance with the Settlement, the plaintiffs in *Anderson v.*
10 *Ford Motor Co.*, No. 1:16-cv-01632 (N.D. Ill.) are obligated to dismiss that
11 action with prejudice. In addition, the Court also dismisses all claims which any
12 Class Member alleged or could have alleged in any complaint, action, or
13 litigation, based upon the Transmission defect in the Class Vehicles.

14 12. Opt-Outs. All Class Members were given a full and fair opportunity
15 to participate in the Fairness Hearing, and all Class Members who asked to be
16 heard were heard. Members of the Class also have had a full and fair
17 opportunity to exclude themselves from the proposed Settlement and the Class.
18 Attached hereto as Exhibit A are two lists that, together, set forth the names of
19 all persons who have validly opted out. The lists attached as Exhibit A were
20 previously filed in this case as part of ECF No. 180 (Page ID # 3121-3252) and
21 ECF No. 240.

22 13. Having granted final approval to this Settlement, the Named
23 Plaintiffs and each Class Member hereby forever discharge the Released Parties
24 from all Released Claims.

25 14. To effectuate the Settlement, the Court hereby orders that all Class
26 Members who did not timely exclude themselves from the Settlement are barred,
27 enjoined, and forever restrained from commencing, prosecuting or asserting any
28

1 Released Claims against any Released Parties as set forth in Paragraph 13 above,
2 except that Class Members may continue to pursue claims in the Arbitration
3 Program as set forth in the Settlement Agreement and the Arbitration Rules.

4 15. Members who have not made their objections to the Settlement in
5 the manner provided in the Class Notice are deemed to have waived any
6 objections by appeal, collateral attack or otherwise.

7 16. The Court has considered Plaintiffs' Motion for Attorneys' Fees,
8 Costs, and Service Awards separate from its consideration of the fairness,
9 reasonableness and adequacy of the Settlement Agreement. Any order or
10 proceedings relating to the Motion for Attorneys' Fees, Costs, and Service
11 Awards, or any appeal from any order relating thereto or reversal or modification
12 thereof, shall not disturb or affect this Final Approval Order or the Final
13 Judgment thereon, or affect or delay their finality.

14 17. The Court awards \$8,471,231.63 in attorneys' fees to Class Counsel
15 and costs in the amount of \$385,268.37, for reasons set forth in greater detail in
16 the Order Granting Plaintiffs' Renewed Motion for Attorneys' Fees, Costs, and
17 Service Awards. Lead Class Counsel are to allocate the fees and cost
18 reimbursement according to the fee allocation agreement among Class Counsel.

19 18. The Court also approves and awards \$10,000 to Plaintiff Omar
20 Vargas, \$7,500 to Plaintiffs Michelle Harris, Sharon Heberling, Robert Bertone
21 and \$5,000 to Plaintiffs Kevin Klipfel, Andrea Klipfel, Maureen Cusick, Eric
22 Dufour, Abigail Fisher, Christie Groshong, Virginia Otte, Tonya Patze, Lindsay
23 Schmidt, Patricia Schwennker, Patricia Soltesiz, Joshua Bruno, Jason Porterfield,
24 Jamie Porterfield for their services on behalf of the Class and \$1,000 for each of
25 the Plaintiffs in *Anderson v. Ford Motor Co.*, No. 1:16-cv-01632 (N.D. Ill.) for
26 their dismissal of their action with prejudice, and accordingly orders Defendant
27 to pay those amounts to the Claims Administrator for distribution to those Class
28

1 Representatives.

2 19. The Court finds that the Lott Group's requested payments of \$5000,
3 each, to Brenda Lott, Suzanne Lutz, Carlie Olivant, Gail Slomine, and Philip
4 Woloszyn and attorneys' fees of \$339,216.60 and costs of \$8,787.12 to their
5 counsel, Public Citizen and David Gorberg & Associates, are reasonable and
6 reflect their positive contributions to the added benefits provided by the
7 Amended Settlement. The Court therefore approves the requested payment and
8 fees.

9 20. The Court finds that DeBolt's requested payment of \$5000 to James
10 DeBolt and attorneys' fees of \$98,360 to his counsel, George Cochran, are
11 reasonable and reflect their positive contributions to the added benefits provided
12 by the Amended Settlement. The Court therefore approves the requested
13 payment and fees.

14 21. If either (a) the Effective Date of the Settlement does not occur for
15 any reason whatsoever, or (b) the Settlement Agreement becomes null and void
16 pursuant to the terms of the Settlement Agreement, the Final Approval Order and
17 Final Judgment thereon shall be deemed vacated and shall have no force or effect
18 whatsoever.

19 22. Without affecting the finality of the Final Approval Order and Final
20 Judgment thereon in any way, the Court retains continuing and exclusive
21 jurisdiction over the Parties, including the Class Members, to enforce the terms
22 of the Final Approval Order and Final Judgment, and shall have continuing
23 jurisdiction over the construction, interpretation, implementation, and
24 enforcement of the Settlement Agreement.

28

1 23. The Court finds that no just reason exists for delay in entering the
2 Final Judgment. Accordingly, the Clerk is hereby directed to enter Final
3 Judgment.
